

2019-1 Deep Learning Homework #6

Dae-Ki Kang

Deadline: June 19

Please prepare the report for the following questions as detail as possible and send it to dkkang@gmail.com.

1. Read the article of <https://bit.ly/2koY1no>. The article is about “Q-Learning with Tables” and “Q-Learning with Neural Networks”. Implement the algorithms in the article and write a detailed report.
2. Read the article of <https://bit.ly/2E0q1Mz>. The article is about “Policy-based Agents”. Implement the algorithms in the article and write a detailed report.
